Proposal to Partner

We Invite any organization to join us in serving the needs of the Butler community. You can help us by allowing us to place a display of our products in your facility on a consignment basis. We accept all loss liability for the products. You just need to collect payment from a product buyer. We take care of restocking the display and picking up the money.

We can and have shared profits with a partner and are open to consideration of such an arrangement. We can also recognize you in our publicity including web-site, Facebook, banners and brochures.

Generally speaking, any organization that has a lot of foot traffic through its facility is a good candidate. A waiting room associated with that traffic is better yet. Medical offices, law offices, athletic clubs, libraries, municipal buildings, churches, etc. are examples.

We are open to discussing any proposal your organization may have for us to work together.

For more information please call 724-287-4059 or ButlerLionInfo@gmail.com.
