The Butler Lions have been serving the Butler area since 1923, providing community service and raising funds to support community needs. **We are a community oriented, service club, supporting as many community needs as we can. We sell Butler Lion Products to help fund our community projects.**

One of our fund raising projects is to sell Butler Lion Products to the Butler community. Our marketing approach is to take advantage of today's technology and consumer purchasing practices. You will see us at various community events with our table set up selling our products. Some of the events include the Butler Fall Festival, Butler Farm Market weekly Saturday morning sale, Alameda Park FallFest, various neighborhood sales and many craft shows.

All our products are made in the USA and are functional in every home.
